**Manager/Team Leader for new Self Storage property in Issaquah - (Opening March 2018)**

We are seeking a full-time lead manager with great marketing, customer service and organizational skills to lead an onsite team in the lease up and operations of a brand new Class "A" self storage building located in the heart of Issaquah! (We are also hiring permanent, part-time employment.)

**Job Description:**

- Leading and managing a 1-2 -person staff and all onsite operations of the property
- Customer service and sales are a top priority - do you have an upbeat personality and a natural "A" game communicating with people?
- Maintain store appearance, product presentation and storage area cleanliness
- Create and establish customer relations through leasing, billing and account management, preparing reports, and maintaining compliance with property policy.
- Duties include customer rent collections, late notices, daily accounting reconciliation and cash management
- Work closely with Regional supervisor and corporate departments regarding leasing, operations, marketing, accounting and financial performance
- Problem solving and time management skills

**Skills and Qualifications:**

- 3-4 years of experience in retail sales, self storage, sales or customer service
- Computer knowledge: Microsoft Office, Excel and Outlook. (Competency test administered).
- Flexible schedule required
- Must pass background check

**Compensation and Benefits:**

- Competitive pay + performance bonus
- Paid vacation and holidays

The property is managed by Storage Partners, one of the largest regional self-storage management companies with properties throughout the Pacific Northwest. We look forward to the right fit to join our team of dedicated and positive thinking storage professionals.
